Personal Statement: Full-Stack Web Engineer with a background in Salesforce, Compliance, Customer Service and spoken languages. Hoping to contribute to a company that cares about corporate-social responsibility and encourages team members to explore their passions for tech. In addition to my full-stack and interpersonal skills, I'm looking to leverage my strong problem solving, communication, teamwork and leadership skills gained from leading a team of six auditors, professionally, and 300+ volunteers for American Cancer Society annual fundraisers.

Professional Experience

Software Engineer for Optum, Inc.
Aug 2022 – present
- Perform all phases of software development lifecycle including requirement analysis, design, development and testing (unit testing, automation, deployment, and support)
- Provide support in critical production issue resolution for DevOps teams
- Establish, refine and integrate development and test environment tools and software
- Participate in an Agile/Scrum methodology to deliver high-quality software and Attend Agile ceremonies
- Tech stack: Salesforce, Apex, LWC, Visualforce, Git, Jenkins, Docker

Internal Audit Manager for Moneytree, Inc.
Sept 2012 – Sept 2021
- Managed an Audit Team of 6, ensuring their personal and professional needs were met while helping them reach their full potential
- Consistently delivered a monthly Audit on-time and supported operations for 106 Branches
- Conduct on-site Compliance, safety and asset audits in 5 states on the west coast
- Analyze and track audit trends in order to make recommendations to executives for improving Compliance with state and federal lending regulations (AML/BSA, ECOA, EFT/Reg Z, FDCPA, GLBA, TCPA, TILA, UDAAP). Under my management we had 0 fines and 0 external audits that required enforcement actions
- Create and track company-wide Compliance training & internal Policies and Procedures
- Collaborate with the Executive Team to rebuild our Compliance Audit from the ground up

Skills

- 15 years of Teamwork experience in a professional environment and 7 years in leadership roles for American Cancer Society fundraisers.
- Proficient in Microsoft Office Suite and Adobe Acrobat
- Organized, detail-oriented and great time management
- Excellent written and oral communication in English. Conversationally proficient in Spanish. Minimal French. Confident with public speaking.
